SOURCE [REDACTED]

All roads leading to the woods between Papasulamon (P 48/D 39) and Beszlop (P 48/D 39) were blocked by Soviet sentries in mid-October 1950. Local residents said that sometimes there was vehicular traffic at night. They avoided entering this area because some arrests had been made there. *

25X1A

[REDACTED] comment. The restricted area south of Papa may have been connected with the Papa airfield, which is occupied by Soviet air force units. It may contain a supply depot.
